During the first two registered semesters of an undergraduate programme, a student is registered for a total of 34 credits, besides non-graded units. By the end of the first two registered semesters, not including summer, a student is expected to earn a minimum number of credits (excluding non-graded units) as specified in Table, in order to continue registration. If a student does not meet this criterion, his/her performance is classified as “Poor Performance”, and he/she may opt to start the programme afresh, or else his/her registration will be terminated. This option to re-start the programme is available to a student only once.
